-----DEER RUN RUN====ENTRY FORM-----

Most of McLean County Parks experiences take place outdoors, in conditions often quite different from the controlled environments and predictability of buildings and cities. Nature and weather occur on their own schedule, sometimes unexpectedly, often beyond the control of people to change them.

The undersigned, a participant in the Deer Run Run, offered by the McLean County Parks and Recreation Department agrees as follows:

- I acknowledge that activities at the Deer Run Run may required strenuous physical activity and endurance.
- Terrain conditions, weather, and other people affect the overall activity experience. I am aware of the factors that follows:
 - The activities may take place on terrain that is ungrained. Terrain varies greatly and may be icy, wet, or rough, depending on weather and other participants.
 - Winds, temperature, and occasional storms can effect the experience. I realize that I should take precautions and guard for weather-related conditions.
 - The activities may take place on or near Evergreen Lake, a body of water, which presents natural risks commonly associated with aquatic activities.
- I certify that, to the best of my knowledge, I have no physical, mental, or emotional condition which might be aggravated by this activity, or which might in any way endanger staff or other participants.
- I have informed the McLean County Parks & Recreation Department of any physical, mental, or emotional condition which might effect my ability to participate in and withstand all possible trail running activities.
- I will obey all rules, regulations, and directives of the McLean County Parks & Recreation Department and its representatives and will assist by informing and/or calling to the attention to any situation which might result in injury.

Thus acknowledging the rigors of all activities connected with the Deer Run Run and the unpredictability and power of natural and weather events, and in consideration for being accepted as a participant in this program, I hereby for myself, my heirs, my executors, administrators, and assignees, **do hereby release and discharge** the County of McLean, Illinois, and its employees, agents, officers, Board Members, representatives and volunteers for all claims and damages, demands, actions, whatever in any manner arising out of my participation in this Deer Run Run and furthermore **do hereby indemnify and forever hold harmless** the County of McLean, Illinois, and its employees, agents, officers, Board Members, representatives and volunteers from any and all actions, claims, and demands including legal costs which hereafter arise or are instituted or recovered against the indemnified parties by me or other parties whether on account of personal injuries, suffering, death or property damage sustained by me, or due to my negligent, willful and wanton, or intentional actions.

Please recognize that the McLean County Park and Recreation Department does not carry medical accident insurance for injuries sustained in its programs. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the McLean County Department of Parks & Recreation responsible for the payment of medical expenses.
